

EAAP

European Federation of Animal Science

2020 EAAP online Annual Meeting

Questions and Answers

THE REGISTRATION PROCEDURE

1. For how long, will the registration be possible?
 - Registration will always be available until the last day of the meeting (December 4th). Until midnight of September 15th (early-registration deadline) the prices are discounted
2. Will the registration allow to attend all parallel sessions?
 - Yes, the full registration permits to attend to all four days of the meeting, or for one day, in case of "one-day registration"
3. Must the 3 scientists buying the special "three entries package" be from the same Institutions?
 - Yes
4. Will, those who buy the packages for 3 persons, be able to watch the presentations separately or will they need to watch the same screen in the same room with one unique link?
 - Those who will buy the packages for three entries will receive three codes that can be used independently
5. Is the three-entries package giving access to the full conference?
 - Yes
6. I need to register for the 2020 EAAP virtual annual meeting but I need an invoice, would that be possible?
 - Yes, either by paying as a non-member or by purchasing for a package for 3 persons, in both cases by bank transfer
7. Must I register before the early-registration deadline (midnight of September 15th) to present my research and to keep the abstract in the Book of Abstracts?
 - Yes, if my abstract was accepted, I need to register by September 15th to keep the abstract in the scientific program and in the Book of Abstracts. The abstracts of the presenters who will not register by September 15th will be cancelled

GENERAL ORGANIZATION

1. Does EAAP provide a platform for the annual meeting?
 - Yes, there will be a professional platform
2. Will there be a specific App for the annual meeting?
 - No, considering that the annual meeting will be online, the App will not be developed
3. Will there be opportunities for sponsors to promote their products?
 - Yes, sponsors will be part of the annual meeting. EAAP prepares specific opportunities for sponsors to increase their visibility and to promote their products
4. Will there be social media supporting the annual meeting?
 - Yes, participants will be suggested to join EAAP socials to obtain all timely information and suggestions, like the Facebook page that EAAP created specifically for the online 2020 annual meeting:
<https://www.facebook.com/groups/367087011096617/?ref=share>

THE SCIENTIFIC PROGRAM

1. The communications were accepted without indication about oral presentation or poster. When will this information be available to the authors?
 - Authors will know after the scientific program is done, and that depends on the number of confirmed abstracts by the deadline of the early registrations (Midnight of 15 September).
2. When is the final program available?
 - The final scientific program will be finalized shortly after the deadline of early registration. The Scientific Program will begin with the Plenary Session
3. There will be parallel contemporary sessions?
 - The scientific program will have several parallel sessions like in all annual EAAP meetings. Only the Plenary Session will not have other sessions in parallel
4. Will the Book of Abstracts be produced like every year?
 - Yes, the Book of Abstracts will be done in the same way as in normal years. Wageningen Academic Publishers will produce the Book of Abstracts online available to all participants and to EAAP members, at the end of the meeting. The hard copies will be produced only for those who will ask, against an extra payment

MANAGEMENT OF SESSIONS

1. Who will manage the sessions?
 - There will be a chair and a co-chair for each session, handling the presentations and the questions and answers
2. Will it be possible to ask questions at the end of each presentation?

EAAP

European Federation of Animal Science

- Yes, there will be questions and answers. The audience can post their questions already during the presentation.
3. Will there be breaks during the sessions?
 - Yes, for the comfort of participants there will be virtual coffee and lunch breaks like in on-site meeting

POSTERS SESSIONS

1. How will posters be displayed in the virtual meeting?
 - Posters will always be displayed during the online meeting, plus posters authors will have up to three minutes video to present their posters.
2. What a poster presenter will have to do?
 - The posters presenters will have to prepare a single file which will be uploaded ahead of time voice over PowerPoint with a 3-minute presentation. The posters will be presented with questions and answers during the posters sessions.

PRACTICAL ASPECTS OF PRESENTATIONS

1. Do people need to record presentations in advance of the meeting?
 - Yes, people need to record themselves with their own system some weeks before the meeting. More instructions will be given later
2. Which platform must we use to prepare the presentations?
 - A tutorial for speakers will be prepared to help presenters and distributed in few weeks
3. How will the theatre presentations be?
 - There will be pre-recorded presentations as voice over PowerPoint which will be uploaded ahead of time and released on the day they are scheduled to be presented. The time of presentations for theatre is 12 minutes, plus 3 minutes of discussion
4. Is there any difference for the invited speakers?
 - The organization is the same as for normal theatre presentations but the time for presentations is longer (24 minutes) as well as the time for discussion (6 minutes)
